Limited space!

There appears to be a growing trend for school ruck sacks to get bigger and bigger and water bottles taller and taller, and we really do not have room for them!

So this is a request that if you are looking to replace these items for the new school year please THINK small!

If your child is in KS1 and EYFS they should be bringing a book bag, small lunch box if packed lunch, and small PE Bag

In KS2, the Book Bag maybe replaced with a ruck sack but still small!

If you are wondering why, the answer is 'trip hazard'. We don't want children or staff falling over bags, coats, jumpers etc which are ending up on the floor because the bags are too big.

Dates to remember
