

Homework

Homework

Reading

We are continuing to incentivise and encourage the children to read and the usual rewards will be given to those who are reading a lot!

To help your child achieve this, please ensure that they read **every day** for at least **30 minutes** and that this gets recorded in their reading record and is signed by an adult.

Reading is an extremely important part of your child's homework as it helps them access work in all areas of the curriculum.

Other Homework

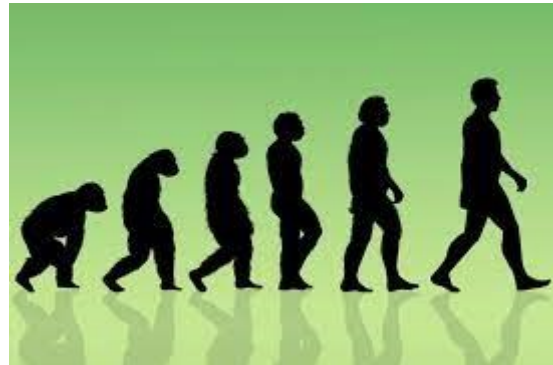

In addition to reading, homework will consist of project work and Maths.

Homework will be **assigned on a Tuesday and should be handed in by the following Monday.** Spellings will be tested on a Tuesday and times tables will be constantly tested as part of our Maths learning.

If your child has any problems with completing homework, please let us know.

In anticipation of secondary school, we may set homework occasionally on Teams. Please download the app at home if you do not already have it. Your child's logon is the same as their logon to access the system at school. For example 17PollyT and then their password.

We look forward to going to the Amelia Centre to learn about Tunbridge Wells in WWII and Darwin.

Please don't hesitate to get in touch if there are any matters you wish to discuss.

Curriculum Coverage

In English lessons we will be looking at the following areas:

- **Stories** with figurative language
- **Recounts** from different perspectives
- **Information texts**
- **Newspaper reports**
- Efficient use of **dictionaries** and **thesauruses** to independently up-level and check our work
- Ensuring **accuracy** in **spelling**, **punctuation** and **grammar**.

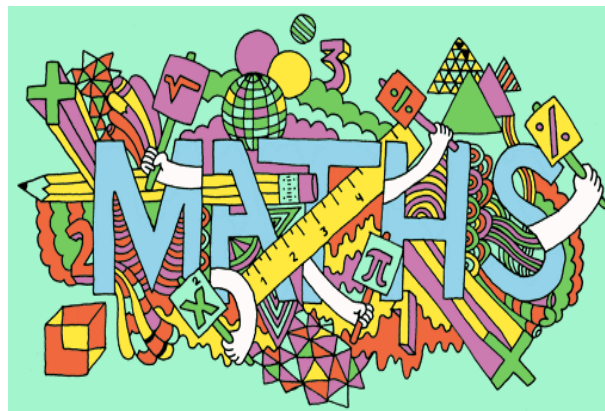

We will also get stuck in to a range of quality texts during discrete reading lessons

Within Maths we will be looking at the following areas:

1. **Ratio and proportion**
2. **Decimals**
3. **Percentages**
4. **Algebra**
5. **Converting units**
6. **Perimeter, area and volume**

Please can we remind all children and parents that you are able to access TT Rockstars and Mathletics from home. If you are unsure of your login, speak to your teacher.
