

Homework

Reading

Please ensure children are reading to an adult 20 minutes daily. This will greatly support them in their fluency and discussions around books will help with comprehension.

In addition to reading, children will be given spellings to learn for a test each week. Furthermore, children should be practicing their times tables daily for at least 10-15 minutes.

Swimming

Children from Dover class will be swimming in Terms 5 and 6. This takes place on Fridays. Please ensure that children bring into school their swimming bags every Friday.

Please don't hesitate to speak to us on the playground if there are any matters you wish to discuss.
