

Homework

Homework

Reading

We are continuing to incentivise and encourage the children to read. This allows children to earn certificates and rewards.

To help your child achieve this, please ensure that they read **every day** for at **least 30 minutes** and that this gets recorded in their reading record and is signed by an adult.

Reading is an extremely important part of your child's homework as it helps them access work in all areas of the curriculum.

Other Homework

In addition to reading, homework will consist of spellings/ punctuation/ grammar work and Maths.

Each week, the children will need to access Microsoft Teams to download and complete their weekly spellings and their homework tasks. We will rotate between a Maths and an English task.

Key Dates

SATS will take place the week beginning 13th May

Friday 17th May trip to Calverley Park

19th June trip to Rochester Cathedral

1st July trip to Maidstone Police Open Day

The year 6 show will be held the week beginning 15th July. There will be a matinee performance on Wednesday 17th and a 6pm performance on Thursday 18th.

We will be looking at How Britain has changed since 1948 and researching 'Our Local Area'.

Science focuses on the topic of Evolution and Inheritance.

Art and Religion will intertwine to enhance our understanding of how religion may reduce racism and The Kingdom of God.

Please don't hesitate to get in touch if there are any matters you wish to discuss.

Britain Since 1948

Staff Rochester

Teacher: Mrs Lake, Mrs Bert
Teaching Partner: Mrs McPherson,

Oxford

Teacher: Mrs Mitcheson
Teaching Partner: Mrs Laidler

Curriculum Coverage

In English lessons we will be looking at the following areas:

- **Stories** with figurative language
- **Non chronological reports on the 1960s**
- **Information texts**
- Efficient use of **dictionaries** and **thesauruses** to independently up-level and check our work
- Ensuring **accuracy in spelling, punctuation and grammar.**

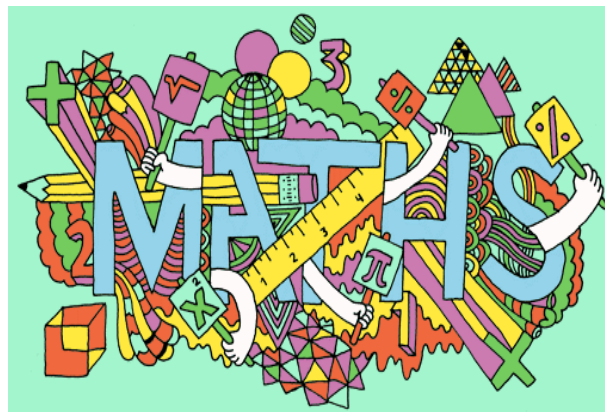

We will also get stuck in to a range of quality texts during discrete reading lessons

Within Maths we will be looking at the following areas:

1. **Shape**
2. **Statistics**
3. **Percentages**
4. **Algebra**
5. **Converting units**
6. **Perimeter, area and volume**
7. **Ratio**

Please can we remind all children and parents that you are able to access TT Rockstars from home. If you are unsure of your login, speak to your teacher.
