Our popular French classes do so much more than teach the language. In small groups, children enjoy games, music, role-play and stories - building confidence & a love and thirst for languages.

They'll also explore French culture along the way, as well as gaining a head start for secondary school & beyond! Plus, ideal prep for holidays & real-life experiences.

Each child has their own Activity Book and access to our Media Player App, so they can continue learning at home. A great way for you to follow their progress and get involved too!
