

Amazing Grace Breakfast – February 2020

Many thanks to all the children and parents that arrived at school extra early for the school council 'Big Breakfast' on Thursday. It was a sell out event with just a couple of plain brioche left at the end, obviously all the chocolate ones went first! The hall was packed and the school council did a brilliant job serving the hungry masses (and Mrs Miles was worried nobody would come!). The final total was £176 raised for the Amazing Grace school in Uganda which will be used for plates, cups, pots and other cooking equipment.
