

Homework

Homework

Reading

We are continuing to incentivise and encourage the children to read and this year we will have a UK landmark challenge.

This allows children to earn certificates and rewards.

To help your child achieve this, please ensure that they read **every day** for at least **30 minutes** and that this gets recorded in their reading record and is signed by an adult.

Reading is an extremely important part of your child's homework as it helps them access work in all areas of the curriculum.

Other Homework

In addition to reading, homework will consist of spellings/ punctuation/ grammar work and Maths.

Each week, the children will need to access Microsoft Teams to download and complete their weekly spellings and their homework tasks. We will rotate between a Maths and an English task.

Homework will be **assigned on a Monday and should be handed in by the following Monday.**

Spellings will be tested on a Monday and times tables will be constantly tested as part of our Maths learning.

If your child has any problems with completing homework or accessing Microsoft Teams, please let us know.

The Year 6 Residential visit has been booked for October 19th to October 21st at Bowles Activity Centre, Crowborough. Further information to follow

Please don't hesitate to get in touch if there are any matters you wish to discuss.

*Term 1 PE Days:
Rochester
Monday and Friday*

*Oxford
Monday and Thursday*

We will confirm term 2 PE days by parentmail

Term 1 & 2 Year 6 Newsletter

Curriculum Coverage

In English lessons we will be looking at the following areas:

- **Stories** with environmental themes
- **Personal recounts**
- **Information texts**
- **Persuasive writing**
- Efficient use of **dictionaries** and **thesauruses** to independently up-level and check our work
- Ensuring **accuracy** in **spelling**, **punctuation** and **grammar**.

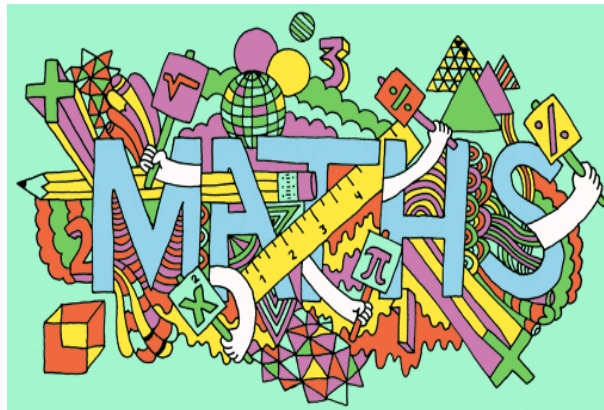

We will also get stuck in to a range of quality texts during discrete reading lessons

Within Maths we will be looking at the following areas:

1. **Place value and number**
2. **Number: Addition, subtraction, multiplication and division**
3. **Fractions**
4. **Geometry, position and direction**

Please can we remind all children and parents that you are able to access TT Rockstars and Mathletics from home. If you are unsure of your login, speak to your teacher.
